Subject: Part Time Job for Volunteer

Dear Mr. Rossi,

I am writing this letter because I am very interested in working as a volunteer, which offers your association. I have already worked in this field and I have acquired the necessary skills, which make me a good candidate for this position as a volunteer.

My previous work has taught me to be an organized and punctual person who always meets deadlines. I am very friendly and good at interpersonal relationships, in general I know how to understand and communicate. I also speak and understand the English language perfectly. I am not a rigid person, but very flexible. Public speaking is one of my strong points and I can be very convincing when it comes to sales. I am very creative and I always have new original ideas; writing is one of my greatest passions.

I think my skills fit perfectly into this job that I would very much like to get, I also suggest you go check my curriculum, if you have any problems or for anything feel free to contact me

Yours sincerely

Benedetta Chiefari

Subject: training course director

Dear Mr. director,

I am writing to you for washing my interest for the training course director. I have worked in companies, so i have the skills that make me a good candidate for this position.

Having worked for several years in different companies, I believe I have developed personal skills to do my job as a well possible. I have analyzed the company's data and I believe I can provide ideas to improve the way people work, with tha aim of increasing profits.This difficult processing will help the company grow by removing unhelpful services from the most popular services.

I believe my skills set metches the requiriments for this job. If you have any questions of for anything esle problems, please feel free to contact me.

Sincerely

Sophia Gualtieri

Subject: Promotion of children's rights projects Manager

Dear Ms. Wenya Zangh

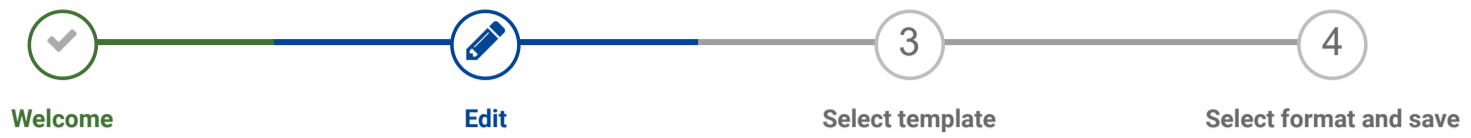

I am writing this letter because I am interested in working in Malafarina Social Cooperative Enterprise with the role of Promotion of children's rights projects Manager.

I have had three years of experience in providing training and education on children's rights and I have developed organizational skills and the ability to manage projects independently. I also took an English course with B1 and so I developed effective communication skills at all levels. I am flexible in various situations with the ability to provide leadership and influence others.

I hope to join your cooperative and if you have any questions you can contact me.

Kind regards

Antonio Marulla
