Subject: Job for treasurer

Dear Mr.Andrea Paparo,

I read with enthusiasm the announcement concerning the position of treasurer at the Nuova Soverato company published on your website. I would be happy to be considered for this job. After reviewing the requirements for the position, which perfectly match my qualifications, I believe I can make a valuable contribution to your organization's goals. I have a degree in computer science and a degree in finance. So I have excellent IT skills, I know all software and I know how to use them very well in the financial field

I manage and optimize the company's cash flow, analyze risk, oversee lower level financial positions and execute special projects.

I can manage workloads and organize activities to meet deadlines in a careful and diligent way. I do my best in environments where I can offer my contribution directly, thanks to problem solving skills that allow me to find solutions and obtain results.

My experiences have greatly contributed to the development of my teamwork, time management and decision making skills. I have excellent communication skills that allow me to communicate clearly and professionally with colleagues, managers and customers. I look forward to personally offering details of my background and qualities which I believe will be of great help to Microsoft's goals.

Thank you for your time.

Best regards
